

Alameda County Master Gardeners Earth Friendly (made easy) Demonstration Garden

Plant List

Type Key
T- Tree- Single Trunk
S- Shrub (multi trunk/woody)
P-Perennial
G-- Grass
GC - Groundcover (Grows along ground lower than 1')
A- Annual
B- Bulb

Location Key
B-Butterfly Garden - NE corner of Garden
M- Berms/Mound gardens (South)
R-Rock Garden - (Center East)
F- Flower (Center West)
W- Wind - (North West)
O- under the Oak (South West)

OPAC - Plant is on the MG **Outstanding Plants for Alameda County** Brochure
UCD All Star - Plant is on **UC Davis Arboretum All Stars** for the CA Central Valley
UCD Trial - Plant is part of test trials for the state new plant introductions.

DT-∅ No summer water required beyond what is naturally available
Low-Δ Some summer water – Deep soaking every 3-4 weeks
Mod - ♦ Summer water required – Deep soaking every 1-2 weeks

FS-☀ All day minimum 8 hours of sun
PS-◐ filtered light or 4-5 hours of sun
S-● less than 3 hours of sun

Season Year
 ie F06 for Fall of 2006
